

# COVID-19 – Health and safety guidelines for students and executive participants

Paris Campus – République & Montparnasse sites

# General rules of conduct on campus

Each student agrees to review these guidelines carefully before coming to ESCP's Paris campus (Montparnasse or République sites), and to respect the instructions detailed therein.

The measures described below will be updated regularly, depending on the situation and according to government directives.

# Measures to protect yourself and others

Regularly wash your hands or use hand sanitizer

Avoid touching your face

Cough or sneeze in your elbow or in a tissue

Stay at least one metre away from other people

Dispose of any tissues you have used

Do not shake hands

How to wash your hands

## HOW TO USE YOUR MASK CORRECTLY

### How to put your mask on

1 Wash your hands thoroughly

2 Loop the elastic bands behind your ears

or

Tie the laces at the back of your head and neck

3 Pinch the rigid edge, if it has one, onto your nose, pull the mask down below your chin and avoid touching it again

### How to take your mask off

1 Wash your hands and then remove the mask, touching only the laces or elastic bands

2 After use, put it in a plastic bag and throw it away

or

if it is made of fabric, wash it at 60° for 30 mins

3 Wash your hands thoroughly again

**Masks are an additional means of protection, and do not replace barrier actions**

# Wearing a mask is mandatory indoors

## It must cover the mouth, nose and chin.

**Please note:** Wearing a mask indoors is mandatory; any person refusing to wear a mask indoors will not be allowed to remain in the School's premises; any person who does not respect the safety instructions, of which wearing a mask is an integral part, will not be allowed to remain in the School's premises. Any person not complying with this obligation will be asked to leave the building, and in the event of refusal, ESCP will ensure that the person leaves the building. ESCP reserves the right to initiate any proceedings (including disciplinary proceedings) against any person who fails to comply with safety measures, including the wearing of a mask. Please remember that ESCP has the right to define and set the conditions of access to its institutions, and is under the obligation to take all necessary measures to ensure the safety and protect the health of students, teachers and staff.

# Campus life

- Strict hygiene rules as indicated on posters must be respected throughout the entire site (common areas, food service areas, classrooms, computer rooms, library)
- Wash your hands meticulously before entering classrooms or using shared equipment (computers, printers, etc.).
- Both sites were fully cleaned and disinfected during the summer break. Common areas, offices and classrooms are cleaned and disinfected daily. Hand sanitizer is available in front of all classrooms, computer rooms and common areas.
- The toilets are cleaned regularly during the day.
- Contact surfaces (ramps, handles, printer controls, etc.) are disinfected in the work areas by a dedicated team.

# Reminder of COVID-19 symptoms

COVID-19 include:

- Fever or a feverish feeling (chills, hot-cold);
- Cough;
- Headaches, aches and pains, unusual fatigue;
- A sudden loss of smell (without nasal obstruction), a total loss of taste, or diarrhea ;
- In more serious forms: breathing difficulties which could lead to hospitalisation.

**To make sure you have not contracted the virus, you can do a PCR or antigenic test in the pharmacies indicated in the following slide.**

# Pharmacies close to campus for rapid antigenic test

Please find below the name, address and opening hours of pharmacies close to school (both sites) where you can also do the rapid antigenic test:

## **Close to Montparnasse Site:**

### **Grande pharmacie de l'Arrivée**

6 Rue de l'Arrivée, 75015 Paris

From Monday to Friday, from 9 am to 5 pm. On Saturday from 1pm to 5pm.

### **Pharmacie de la gare**

10 Place Raoul Dautry, 75015 Paris

From Monday to Friday, from 8am to 7pm. On Saturday from 8am to 6pm.

## **Close to République Site:**

### **Pharmacie Assoun**

53 Avenue de la République, 75011 Paris

From Monday to Friday, from 9am to 6pm. On Saturday from 9:30 am to 6pm.

By presenting the “carte vitale” the antigenic test cost will be covered by the French social security.

Without a “carte vitale” the cost can vary between 25 and 30 euros the test.

From the 15th of October, the antigenic test will be charged for everybody except for those having a medical prescription.

# Covid-19 student tracking

If you are in any of the following situations, it is compulsory to declare yourself on [this google form](#) to help us track positive cases within programmes, and avoid cluster:

- ▶ If you have symptoms suggestive of Covid-19.
- ▶ If you are positive for PCR and/or antigen test even with a complete vaccination schedule.
- ▶ If you are declared a "contact case" of a person who has tested positive, even with a complete vaccination schedule.

## **Nota bene**

- ❖ *This only applies if you are currently on site on the Paris campus. If you are following all your courses online and do not have any contact with other students, you do not need to declare yourself on the form.*
- ❖ *If you are positive, and need to isolate, please inform your Programme Office and [health@escp.eu](mailto:health@escp.eu)*
- ❖ *If you have any questions, do not hesitate to contact the Health Center at the following address: [health@escp.eu](mailto:health@escp.eu)*

# Indications for “contact cases”

Contact cases must do a test immediately.

## Antigenic or PCR test is POSITIVE:

- ▶ Complete vaccination schedule, incomplete vaccination schedule or not vaccinated: student must-self isolate for 10 days.

## Antigenic or PCR test is NEGATIVE:

- ▶ Complete vaccination schedule: not considered as at risk, no need to isolate, students are allowed to go back to the campus.
- ▶ Incomplete vaccination schedule or not vaccinated: student is considered as at risk and must self-isolate for 7 days. Students are not allowed to go back to the campus. A control test must be done at the end of the isolation period.

# Vaccination is highly recommended

## **Vaccines accepted by the European Union :**

- Pfizer
- Moderna
- Johnson & Johnson
- AstraZeneca

However, equivalent vaccines from abroad can be recognized. More information [here](#).

## **Where to get vaccinated ?**

It can be done at the pharmacie, at the doctor's office or at a vaccination center.

## **How to obtain an appointment ?**

Please register for an appointment on of the following platforms:

- [ViteMaDose](#)
- [Santé.fr](#)
- [Doctolib](#)

The vaccination is free of charge, even for international students.
