

Scholarships for Master in Management Students

Financial need-based scholarships

ESCP Business School **need-based scholarships** may be granted to **European** and **Non-European** students admitted through the following admissions paths:

- Classe préparatoire française. (PREPA)
- Engineering Partner Schools: Centrale/Supélec, ENSAE, ESTP and MinesParisTech.
- Sportif de haut niveau (top-level athlete in France), registered on the national list.
- Talent Spring.
- Concours d'admission directe (CAD)

European students admitted by the International Direct Admission (IDA) or by "Join a school in France" (SAI) are also eligible.

The following student categories are **not** eligible for financial need-based scholarships:

- Apprentices (Apprenticeship Track)
- Incoming Double Degree students
- Non-European students admitted by the International Direct Admission (IDA)
- Non-European students admitted by "Join a school in France" (SAI).
- Visiting students
- Students admitted through the PreMaster Admission Test holding the Sanpaolo scholarship.

Students who are eligible for CROUS* scholarships may also be eligible for an ESCP need-based scholarship. The table below shows the percentages of exemption according to the scale of the CROUS.

0 BIS	1	2	3	4	5	6	7
10%	20%	30%	40%	100%	100%	100%	100%

As of September 2021, students who are eligible for CROUS* scholarships, level 4 to 7, are exempt from tuition fees for all years of study, including the Pre-Master Year, M1 and M2 years. This full scholarship covers both standard Tuition Fees and Fees related to the prerequisite courses in Management.

All other fees such as the Registration fees, additional courses, catching up failed courses, Diploma deferral, GAP semester/year, etc. must be paid in full.

Students who are not eligible for the CROUS social criteria grants may request a partial exemption from tuition fees based on their financial situation. Grants will be awarded if possible, based on available budget. Financial need-based scholarships are given for one

academic year. They are renewable for subsequent academic years upon submission of a scholarship renewal request on the yearly registration file (June/July).

In all cases, awards are subject to academic results and behaviour in line with the values of the school, or a change in financial situation.

How to apply

Applications for need-based scholarships are open starting in June or July of the year preceding entry into ESCP via the Registration File. The form and accompanying documents, such as financial statements, proof of citizenship, CROUS certification (if applicable), and fiscal residence. Awards are announced in October of the entry year and will be deducted from the first year tuition fees.

Merit-based scholarships

Non-European students from admissions paths International Direct Admission (IDA) and “Join a school in France” (SAI) are eligible for merit-based scholarships. They are awarded upon admission to the Master in Management. Merit-based scholarships range from 25% to 100% of the first year tuition fees.

Merit-based scholarships are only awarded for the first year of studies (M1). The scholarship is not renewable for M2.

No additional merit-based scholarships are given during the studies.
